Sam's Corner

Sam the Answer Man: #62 December 2011 "Trainfest & The Holidays"

This series is to help answer the many questions about Kadee® products and to provide "Helpful Hints" to modelers using our products.

We attended Trainfest Train Show in Milwaukee, WI this past month and in our opinion, it's one of the best shows put on anywhere. It's in a very clean newer building, plenty of convenient parking, very well organized and supported by their staff, and they promote this show a lot. Friday the 11th was a set up day and a special vendors day, Saturday was so busy we could hardly see out of our booth, and Sunday had a steady flow of people, including many who were not railroader's bringing their families to see the trains. The show had plenty of things for kids to see and do and they were loving it all. To see the emotions and big smiles on the kids' faces really makes it worth it. It's a great show and we highly recommend it to everyone from the highly experienced model railroader to the non-railroader looking for good clean entertainment for all ages. We didn't have any new products to introduce but we showed samples of our new O-Scale line of couplers, which, unfortunately, will not be ready for December release.

Well... did you have a nice Thanksgiving? We hope you did but now it's "Christmas time". Hopefully we've been getting ready for this and have moved into the serious part of the Holidays. Unfortunately, this is where there's a conflict in many peoples lives between the spiritual reflection of Jesus Christ's birth and the commercialism of Santa Claus. We get caught up in thinking we have to buy a gift for everyone we know, we have to satisfy our children's every wish, we have to attend all the Christmas parties, watch every football game, max out all of our credit cards, and buy and build the most elaborate Christmas tree imaginable and out do the neighbor's best outdoor decorations. Sadly, we then lose the true meaning of Christmas. Through the example of the Lord Jesus Christ, we must learn to love one another, help and care for each other, serve those in need, and spend quality time with those we love, especially our children. Spend enough time with them so they can see and feel your love and joy, your humbleness and gratitude towards them and the Lord. Teach them about Christ and the true meaning of giving, respecting and loving others, and sharing your time and talents with others. Kids can not learn these Christ-like qualities without seeing and feeling them in you first. Show them these things are important to you and meant to be in our lives all year long.

Have a peaceful, wonderful, and Merry Christmas... we will.

Sam the Answer Man will only be available after 1:00 p.m. PST Mon-Thu to answer your Kadee® related questions.
