# 20-Series Couplers

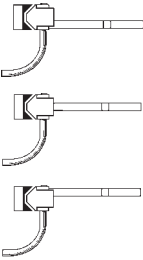

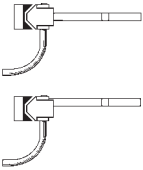

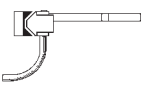

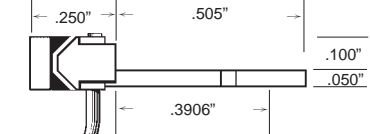

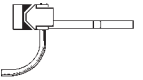

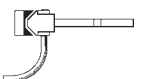

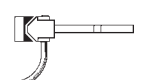

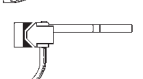

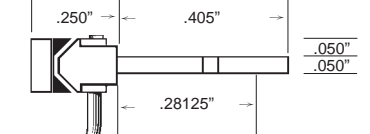

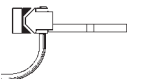

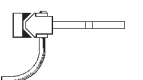

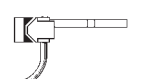

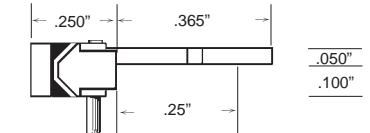

THE 20-SERIES KADEE® MAGNE-MATIC® COUPLER ASSEMBLY MAY BE MOUNTED FROM THE TOP OR MOUNTED FROM THE BOTTOM.

Attention to very tight engineering and production standards assures trouble free smooth operation with true-to-life unfailing performance day in and day out. Kadee® Couplers are famous for their consistent, reliable, hands-free coupling and uncoupling. Kadee® Couplers are the preferred choice of modelers world wide.

Adaptor for TALGO (TRUCK) MOUNTING
