

# G-SCALE COUPLER CONVERSION LIST (3-28-24)

The below listings with an asterisk (\*) indicates conversions with separate drawings and/or instructions not normally covered in the particular coupler instructions and are available upon request. Most conversions with an asterisk (\*) are available on the internet at [www.kadee.com/lscsc.htm](http://www.kadee.com/lscsc.htm)

**Note:** If the coupler conversion doesn't have a "New Generation" Type "E" Coupler option listed it is not available. If you would like "New Generation" Type "E" Couplers, you will need to purchase the listed coupler package (in order to have the necessary components for conversion) & then you would need to purchase the appropriate "New Generation" Type "E" Coupler replacement couplers & swap out couplers in original conversion. Use the coupler cross reference chart description or coupler description from Kadee's web site product page to identify the coupler style included in the packaging. The #782 & #783 have modified couplers that are not available in the "New Generation" Type "E" Coupler.
