Sam's Corner

This series is to help answer the many questions about Kadee® products and to provide "Helpful Hints" to modelers using our products.

Sam the Answer Man will only be available after 1 to 4 p.m. PST Mon-Thu to answer your Kadee® related questions or e-mail him at mail@kadee.com

Sam the Answer Man: #165 November 2020 "Holiday Season"

In October we have again entered the "Holiday Season" with Columbus Day and Halloween then Thanksgiving, Christmas, and New Years Day. However, this season is quite different than most of us will ever remember. We now are faced with life changing events with surviving the COVID 19 restrictions and virus, storms and wildfires, financial and employment issues of every kind, home schooling and limited public schooling, and many other things that may have changed our lives.

At the end of this month we celebrate Thanksgiving but this time we have to really work harder to "give thanks and be thankful" even with all that has been going on. Regardless of how you have been affected "Gratitude" will bring you "Peace and Hope". Just think of our forefathers, the Pilgrims and early settlers, that gave up everything and brought nothing to an unknown land and harsh hostile environment. Enough of them survived to show gratitude and give thanks that eventually became our National Holiday of Thanksgiving. Regardless of how hard it was they "hung in there" and "had faith in God" that they would indeed survive to carry on. Their Gratitude, Hope, and Faith is an example to us as to what we need to focus on to get us through the present hardships.

This also gives us opportunities to help others as the Lord would have us do. Hard times brings us opportunities to learn and gain experience. Rather than sitting around feeling sorry for ourselves we should be helping others using what we've learned from the experience we've gained. Learning from our experiences we then can deal better with the next hardship which will give us time to help others. After a hardship has past or at least stabilized we should take time to reflect as to what we have learned then use that knowledge to prepare for the next time.

Be prepared, take care of yourself and your family, then your neighbors, and outward to others.

Don't be stubborn or afraid to change your life style as nothing will ever be the same after COVID 19 and all that's been happening.

Remember that no matter what happens in the world the reasons for "Thanksgiving" will not change and they still apply today.

No matter what you've been through or what's going on in your lives fill your hearts with Gratitude and Thanksgiving, Peace, and Hope, and Be of Good Cheer as it is still the season of Thanksgiving.

Sam the Answer Man will only be available after 1 to 4 p.m. PST Mon-Thu to answer your Kadee® related questions or e-mail him at mail@kadee.com
